Editorial

This announcement, we grant you, is filled to the brim with news. We promise you, however, that the reading of it will be very profitable to you.

The date of our Annual Stock-taking is February 1. Between now and that date we hope to clear away as much as possible of the present stocks on hand.

All broken stocks—and there are hundreds of them—are to be closed out at January Sale Prices. Customers who know the value of these sales, from long experience, will now fill all of their neglected wants.
